

Responsible Sourcing – Animal Exploitation Policy

Overview

Here at Greggs, we believe in doing business in a way that has a 'positive impact on people's lives' and this is integrated into our business strategy at all levels.

Our values, commit us to being enthusiastic, open, honest and treating people with consideration and respect and we live these through all of our people and operations.

As part of this, we want to make our key principles, across a number of areas, clear and accessible to all so everyone can appreciate what we stand for.

Scope

All coconut products (pieces, desiccated, oil, extracts and flavourings) directly procured by Greggs.

Key Principle

We commit to never knowingly use manufacturing ingredients or sell any items using products where animals have been exploited in the collection of the raw material.

Governance

These principles are included within all of our relevant internal processes.

We will review the principles and adherence to them on an annual basis.
